

## Abstract and Presentation Guidelines

### DREAM Symposium 2023 — Nov 15<sup>th</sup>, 2023

We are **now accepting abstract** submissions from ALL diabetes researchers (including undergraduates and graduate students, post-doctoral fellows, residents, fellows, technicians, research associates and community members) who have research projects in any field related to diabetes.

The deadline for abstract submissions is 11:59pm CST **October 2<sup>nd</sup>, 2023**. Please send your submissions in a word document to [dream@chrim.ca](mailto:dream@chrim.ca).

Abstracts should be submitted using 12-point font, with a maximum of 300 words, excluding title, authors and affiliations. Abstracts should be broken down into clearly identifiable components of Background/Introduction, Methods, Results, and Conclusions/Importance. The abstracts and posters should clearly state the research findings and should not be open-ended.

### **All submissions will be asked to do a poster presentation in the format below**

Dimensions: 90cm width and 60cm length (QR code is optional)

#### **Poster Session Details:**

The poster session will be held on Nov. 15<sup>th</sup> from 4:30-6:30pm at the Fort Garry Hotel. The presentation will be 7 minutes total (5-minute presentation followed by 2 minutes of questions).

#### **Awards:**

Financial awards will be given to the top 3 poster presentations.

#### **Travel Assistance:**

The top 2 externally submitted abstracts will also receive up to \$1000 to support airfare and accommodations to present the poster and attend the DREAM symposium .
